
PRAYER LETTER - MARCH 2010

Devote yourselves to prayer, being watchful and thankful. And pray for us, too, that God may open the door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should. Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone. *Colossians 4:2-6*

Greetings from the mission of Young Life.

Luke 6:12-13 "One of those days Jesus went out to a mountainside to pray, and spent the night praying to God. When morning came, he called his disciples to him and chose twelve of them, whom he also designated apostles:"

Jesus went and prayed; He called his disciples together and chose twelve to be apostles. It was like a school yard pick! Those on the 'A' team! The apostles! This scripture has come with fresh power to me, to be someone Jesus wants to spend maximum time with, to be his first pick. Jesus longs for time with us; do we long for time with him?

Barossa Valley – On the 9th-11th March I will be visiting the Barossa Valley (South Australia) and meeting with a group of local people who want to get a Young Life ministry up and going. The Barossa is one of Australia's most famous wine regions and is full of natural beauty, but there are not a lot of things there for young people and the churches all have small youth groups and need support. A small team of three adults: Adam, Hannah and Lydia will pioneer the work. Please **pray** for this small band of men and women who are taking up the cause of Christ among the young people of the Barossa. Give **thanks** that the Lord has gone ahead and has already picked his team with heart to reach young people.

Maroondah Area Manager Replacement– After a busy day interviewing candidates, we decided to offer one person a second interview. He declined the opportunity and the role. We are currently re-advertising the position as we want to make sure that we find the

best available person for the role. Please **pray** with us as we continue to seek a suitable person to fill this critical role and conduct the next round of interviews on March 18th.

Bart Campolo Breakfast -

Campolo on Toast was a wonderful morning with a sell-out crowd. Bart spoke powerfully on the need for adults to engage in the lives of young people in a broken world. It was such a privilege to have an international speaker the calibre of Bart with us for the morning and his message of hope was enormously encouraging for everyone who attended. Thank you for praying with us for this event and thanks to Bart for making his time available.

Glyn & Anne – A wonderful start to the year continues as we press into March. Both Madison and Laura are doing great at school and the need for Anne's services as a grief counsellor continue to be sought out by many people within the community. The Lord continues to bless us with wonderful friends and family and we feel privileged to walk with so many on a regular basis and simply share life. We continue to host the Hub meeting at our home once a month and we find inspiration for life as we watch each other grow. Anne and I both have the opportunity to do a trip into Belarus in April to help train and equip young Belarusian men and women to reach into their communities. Please **pray** for us as we travel and minister to those we meet.

God Bless

Glyn and the Young Life Board
